

The taste experience.

The Queen Victoria Hotel's namesake is unmistakable. Indeed, the hotel's name pays tribute to Queen Victoria and the instrumental role that she and her son, Prince Alfred, played in the opening of the Breakwater Basin, which subsequently became the Victoria & Alfred Waterfront.

Perhaps less apparent, this fine dining restaurant was also named after an "honorary member" of the royal family: the queen's first dog, a King Charles Spaniel, named Dash. We believe that this highlights the intrinsic relationship between the Queen Victoria Hotel and Dash Restaurant & Bar, and similarly alludes to the regal atmosphere that is true to both establishments.
